INSURANCE

This is quite a feature of my business. I represent two strong and liberal companies, whose contracts are free from the usual numerous restrictions that some other companies have, which really have the effect of insuring the company instead of the insured.

No trouble to explain the policies and quote rates. ACCIDENT TICKETS—These are adapted to persons who do not desire yearly insurance, but who wish protection on short trips, etc. I issue them without written application, taking effect immediately.

I am agent at Bryan for the Oliver Typewriter, the only standard writing machine.

TO DEPOSE NICHOLAS.

Sensational Report Was in Circulation Tuesday.

SON AS HIS SUCCESSOR

Story as Related at Russian Capital Was That a Regency, Composed of Four Grand Dukes, Is to Have Charge.

St. Petersburg, July 18.—A sensational rumor was current here Tuesday that a large party of Zemstvoists and Doumaists at Moscow were in favor of proclamation of the deposition of Emperor Nicholas and the establishment of regency for Grand Duke Alexis Nikolayevitch (infant son of the emperor and heir to the throne) under four grand dukes. It is alleged that for this reason the meeting of the Russian Zemstvo and Doumaist congress, which was to have taken place Wednesday at Moscow, had been prohibited.

FINAL INTERVIEW.

Witte Confers With Emperor Nicholas Preparatory to Starting.

St. Petersburg, July 18.—M. Witte had a final interview with Emperor Nicholas at Peterhof Tuesday. Foreign Minister Lamsdorff was present, showing complete harmony of views between M. Witte and the foreign minister. M. Witte leaves St. Petersburg for Paris accompanied by Mme. Witte. At Paris they meet their daughter, who is the wife of the secretary of the Russian legation at Brussels. Mme. Witte has no intention of joining her husband later in America.

Will Call Many.

St. Petersburg, July 18.—It is given out that 475,246 men will be called upon to perform military service during the present year.

NOTABLE NUPTIALS.

Miss Rose Pastor and John G. Phelps Stokes Wedded.

Stamford, Conn., July 18.—The wedding of Miss Rose Pastor to John G. Phelps Stokes, second son of Anson Phelps Stokes which took place at noon to-day in St. Luke's Episcopal church at Noroton, was exceedingly modest in its appointments, although among the Noroton people it was regarded as the social event of the season. The ceremony was performed by Rev. Louis Punch, rector of St. Luke's, assisted by the groom's brother, Rev. Anson Phelps Stokes, Jr., of New Haven, secretary of Yale university. There were no bridesmaids. Mrs. Henry Rauch of Indianapolis, formerly Miss Mayer of Cleveland, being matron of honor. The ushers were the groom's brothers, L. N. Phelps Stokes and Harold Phelps Stokes, and his brothers-in-law, Robert Hunter and John Sherman Hoyt. The best man was Kellogg Durland, one of the youngest resident workers at the University settlement, New York.

The bride wore a simple dress of white mousseline de soie. Palms and daisies were used as the church decorations. After the ceremony a wedding breakfast was served at Briske House, the country residence of the groom's parents, in Noroton, about a mile from the church. Nearly 100 guests were present, including members of the two families and intimate personal friends of the bride and groom.

It is the intention of Mr. and Mrs. Stokes to go abroad for about two months. Upon their return they will take up their residence on Lower East Side New York, where they will continue settlement work, in which both have been engaged.

HOTEL HOLOCAUST.

Five Grown Persons and a Baby Cremated at Wabash, Minn.

Wabash, Minn., July 18.—Six persons were burned to death in a fire which destroyed the Lepot hotel. The dead are:

Mrs. A. Hoffman and baby.
Robert Johnson, expressman.
Ge-trude Spencer.
Rebecca Herrman.
James Hunt.

The fire was caused by the explosion of a gas tank used for the illuminating tank.

Many Philadelphia People Did This to Avoid Excessive Heat.

Philadelphia, July 18.—At 8 o'clock Tuesday morning the government thermometer at the postoffice building registered 85 degrees, nine degrees higher than at the same hour Monday. The suffering among the poorer classes in the tenement district is intense. During Monday night hundreds of persons sought the roofs of their homes that they might catch a breath of air and secure relief. Official forecast says there is little hope of any break in the hot spell soon.

Acquired New Energy.

Boston, July 18.—The heat, which acquired new energy late Monday, continued Tuesday. During Monday night the mercury did not go below 70 and it began to rise with the dawn. By 6 o'clock it stood at 88, according to the weather bureau thermometer.

WITTE INTERVIEWED.

First and Only One That He Will Give Out.

HONORABLE RESULT.

Russeian Statesman Says His Country Prefers That the War Continue Rather Than Have Dishonorable Peace.

St. Petersburg, July 18.—M. Witte, the senior Russian peace plenipotentiary, received the correspondent of the Associated Press at his villa on Yelagin island Monday. In accordance with the honor of an interview to the Associated Press he said he expressly desired it stated that he had declined all previous requests of journalists for interviews and would decline all further requests. He further said that he made an exception in the case of the Associated Press, as it was the representative of the press of the United States, and as he was about to become the temporary guest of the United States, and also as a mark of the sympathy he felt toward that country. M. Witte spoke in French. After greetings, which were cordial, the conversation gravitated quickly to the high mission with which the Russian statesman is charged and the disposition of the foreign press to interpret his appointment as an indication that Russia had decided to make peace at any price.

"No, no!" said he, straightening up in his chair and speaking slowly and distinctly as if weighing the value of each word. "In the first place, I have been designated by the emperor as his ambassador extraordinary for pour parleurs with the Japanese plenipotentiaries to ascertain whether it is possible to conclude a treaty of peace. My personal views are of secondary importance, but my ideas are in entire accord with those of my friend, Count Lamsdorff.

"In serving my emperor, I have received precise instructions from his majesty and shall follow them.

"The ultimate decision remains in the hands of the emperor and it is for him to decide the destinies of Russia. The emperor is the friend of peace and desires peace, but I very much fear that the Japanese terms will be such that we will be unable to reach an accord. Secondly, the world should disabuse its mind of the idea that Russia wants peace at any price. There are two parties in Russia. One favors the continuation of the war for outrance—is a large and influential party.

The other, to which I belong, favors peace, I avow it frankly because, telling the truth has always been my rule in politics. I was for peace before hostilities broke out. When the war began the situation changed.

"Even though there are these two parties as to the advisability of ending the war in the present circumstances, both would be united if the Japanese demands wounded the amour propre of the Russian people or jeopardized our future as a nation.

"I am sure if I report that the conditions of Japan cannot be accepted, Russia will accept the verdict and the Russian people will be ready to continue the war for years if necessary.

"Thirdly, Russia is not crushed, as the foreign press has led the world to believe. The interior situation is very serious, I do not deny, but in Europe and America the true significance of what is happening is not understood. Correspondents come here and talk with a few hundred people in St. Petersburg and Moscow, misinterpret what is happening and fill the world with false impressions as to Russia's future."

Ten Fatally Poisoned.

St. Petersburg, July 18.—The Official Messenger reports an attempt to poison a number of railway workmen at Tiflis because they resisted revolutionary intrigue. The paper says that arsenic was placed in a boiler from which the workmen made their tea. Many of the men became ill and ten died.

Sail July 26.

Washington, July 18.—Ambassador Meyer has cabled the state department that the Russian peace plenipotentiaries will sail from Cherbourg July 26.

Oversubscribed Four Times.

Tokio, July 18.—The Korean loan of \$1,000,000 was oversubscribed four times. It was the first foreign loan ever floated in Japan.

Will Soon Be Refloated.

Tokio, July 18.—It is expected that the Russian warships Pallada, Pobieda and Poltava sunk at Port Arthur, will soon be refloated.

Fought With Knives.

Oklahoma City, July 18.—Bartley Haines, who served as a soldier in the Philippines, is lying at the point of death in a hospital here as the result of a fight with knives. His opponent was dangerously stabbed, but will recover.

Durant, I. T., July 18.—During the old settlers' reunion there was an average of three weddings a day the three days it was running. Sunday one minister in this city united three couples in marriage, making a total of twelve weddings since last Thursday.

the preservation of such rights as are left him. I believe in equal rights to all, special privileges to none, and oppose all protective tariff. I have a scheme, I think, which will work to our good. It is to admit free of duty all exported goods reshipped to this country, which I will explain further and later. I believe in equal rights and uniform taxation in the state and nation. I believe in law and order; the election of good judges and upholding them in enforcing all law. I believe in maintaining all law. Repeal bad ones.

In conclusion let me say I regret our ambitions have led our political pathways to cross each other, but I would not if I could bind my friends to barter their friendship or political support. I go farther and say, Hon Scott Field was a Confederate soldier and a good one. He is entitled to fair consideration. If his two terms may be considered sufficient recognition, then let the worthiest receive the reward as between all candidates. Your proposition is unique in that it is yet a year before the primary election—two other candidates have been suggested from this county.

Other candidates besides you, Judge Field and myself may be in the field. Let's open the door. Don't try to hold Navarro for a home man or to ourselves.

I recognize very fully the shrewdness of your proposition. You have absolutely no possibility of losing by it. You have no known strength outside of Navarro county. You have the machinery here, whatever that is worth. If I am elected I want it to be by the entire district, and I now here submit a counter proposition to you and to all who may enter the field.

It is to hold our primary under the law and let him who has the most individual primary votes be the nominee of the party.

Very truly,

RUFUS HARDY.

CURE FOR HAY FEVER.

E. J. Jenkins Says Hyomei Will Give Relief—Sold Under Guarantee.

The season for hay fever is almost at hand, and many people feel that they will be obliged to go away in order to avoid the sneezing, watery eyes, and other annoying symptoms of this disagreeable disease.

E. J. Jenkins wishes us to announce that when Hyomei is used as a preventive, or a cure, there will be no hay fever. He advises daily treatment with Hyomei for two or three weeks before the usual time for the annual appearance of hay fever. If this is done, the attack will be prevented. However, if the preventive treatment is not started soon enough, and the disease makes its appearance, use Hyomei six or seven times daily, and relief will be given at once.

There is no stomach dosing when Hyomei is used. Breathed through the neat pocket inhaler that comes with every outfit, its medicated air reaches the minutest air cells, killing all germs and soothing and healing the irritated mucous membrane.

The complete Hyomei outfit costs but \$1, extra bottles 50 cents. It is the only treatment for hay fever sold by E. J. Jenkins under a guarantee to refund the money if it does not give satisfaction.

FARMERS CONGRESS.

The Brazos county exhibit committee arranging for the exhibit at the Farmers Congress will hold a meeting at the Carnegie Library in Bryan at 2 p.m., Saturday, July 22. All members of the committee are urged to be on hand.

In this connection, the farmers of Brazos county and others who wish to attend the congress are advised that the H. & T. C. will run a special train between Bryan and College each day during the congress, and those who want to come to town and leave their teams can do so without delay or a prolonged drive. It is believed the congress affords an opportunity that the farmers of Brazos county cannot afford to miss.

RUCKER MAY LIVE.

Franklin, Tex., July 17.—Late last evening R. H. Rucker, county clerk of this (Robertson) county, was badly cut up in an unfortunate affray at his home. The knife entered his abdomen in two places, going to the hollow of the stomach in each instance, yet while the wounds are ugly and dangerous, some hopes are entertained of his recovery. Mr. Tom Holton, Mr. Rucker's father-in-law, surrendered to the sheriff and was released this morning on bond. Holton had been living with Rucker for several years.

ROBERTSON COUNTY GOES WET.

The Eagle telephoned Mayor Will S. Bailey of Calvert last night and obtained the following report by boxes of the local option election held in Robertson county yesterday:

| Anti | Pro |
|------|-----------------------|
| 421 | Calvert 92 |
| 291 | Hearne 138 |
| 131 | Mumford 11 |
| 130 | Bremond 87 |

| 11 | Wheeloek 72 |
| 12 | Bald Prairie 47 |
| 29 | Hays 55 |
| 4 | Elliott 53 |
| 48 | Easterly 38 |

The figures show totals of 1528 votes for the antis and 861 for the pros; anti majority 667 votes. This leaves three more small boxes to hear from—Seale, Headsville and Eaton, but Mayor Bailey says these will make no material change in the result.

Miss Marie Adams will be at home to those desiring lessons in voice. For further information phone No. 47.

SWAM RAPIDS.

Graham and Glover Successfully Make
the Perilous Trip.

Niagara Falls, July 18.—Carlisle D. Graham of this city and W. J. Glover Jr. of Baltimore, successfully swam the lower rapids of the Niagara river from the American side of the whirlpool to Lewiston Monday afternoon. The distance of four miles was covered in twenty-five minutes by Glover. The start was made at 4:03 o'clock from Flat Rock, which is on the American side. The swimmers did not venture in the upper rapids, where Captain Webb lost his life. Both men wore life belts and inflated rubber rings around their necks. From the start Glover took the lead. He entered the rapids about a minute ahead of Graham. Until the Devil's Hole was reached the swift current and roaring rapids had the swimmers in their grasp. At that point a swirling eddy caught Glover and he was down nearly two minutes. His life belts saved him. Graham by this time had gained on Glover and when the two men reached the rapids just above the suspension bridge at Lewiston, there was but a little distance between them.

At 4:28 o'clock Glover was pulled up on the dock at Leadston. He was dressed and about fifteen minutes later was dry and telling his story. Graham was taken to a hotel in a wagon and did not leave until later in the afternoon. Neither man was injured. Graham swam the lower rapids twice before. He is about fifty-five years of age, while Glover is about thirty-five years old.

RIOTING RESUMED.

**Whites and Blacks Again Clash in San
Juan Hill District.**

New York, July 18.—Rioting between
whites and blacks was resumed Mon-
day night in the San Juan Hill dis-
trict. Many shots were fired and twenty
negroes and one white woman were

arrested. Policeman Roche had his
skull fractured. Police reserves were
called out. The trouble started when
four policemen, passing a saloon in
West Sixty-second street, were jeered
at by a crowd of twenty negroes who
were on the stoop. The policemen
turned and just then one of the men
threw a brick, which struck Roche on
the head, knocking him senseless. The
other three charged with their night
sticks and were met by a fusillade of
bricks. Other policemen arrived and a
dash was made into the saloon, in
which more than twenty negroes were
found. The negroes opened fire with
their revolvers and their fire was
returned by the policemen. Then the
crowd fled and were pursued to various
houses in the block.

The police captured Arthur Moody,
who is said to have thrown the brick
at Roche. George Foster, proprietor of
the saloon and eleven other negroes.

The riot spread to First street, where
a fight started among negroes in a sal-
loon, and when the police entered shots
were fired at them. After a long strug-
gle the police succeeded in arresting
four men and three women.

By that time Captain Cooney arrived
with all of the reserves and after
the last negroes had been driven to the
streets the riot seemed to be at an end
for the time being.

Three of the prisoners were found to
have been shot, but none fatally.

ORPHAN'S TRAGIC FATE.

**Crushed and Lifeless Body of Ethel
Barnes Found on Ground.**

Dallas, July 18.—The crushed and
lifeless body of Ethel Barnes, thirteen
years old, was found at Buckner or-
phan home lying near the dormitory.

The sides of the little girl were badly
crushed and there were many severe
bruises and fractures in different parts
of her body. Blood oozing from her
mouth and nostrils indicated that there
were serious internal injuries. She is
supposed to have fallen from a third-
story window. The child was from
Dexter Cooke county, and had been in
the home three years.

RUCKER BADLY CUT.

**Clerk of Robertson County Seriously
Wounded at His Residence.**

Franklin, Tex., July 18.—R. H. Rucker,
county clerk of Robertson county, was
badly cut in an affray at his home.

The knife entered his abdomen in two
places, going to the hollow of the stomach
in each instance. While the wounds
are very dangerous, some hope is ent-
ertained for his recovery.

Tom Holton, father-in-law of Mr.
Rucker, surrendered to the sheriff and
was released on bond.

Succumbed to Injury.

Palestine, Tex., July 18.—Rich Moseley,
a young man, brakeman on a local
freight train, was hurt internally and
left leg mashed, at Overton. He was
brought to Palestine and died at the
International and Great Northern hos-
pital about twenty minutes after get-
ting in.

San Antonio, July 18.—A telegram
was received here from Jackson Smith,
formerly general passenger agent of the
National Railroad of Mexico, stating
that he had been appointed assistant
to Chief Engineer Stevens of the Pan-
ama canal.

Brakeman Loses a Limb.

Buckholts, Tex., July 18.—In a freight
wreck that occurred on the Santa Fe

man, a brakeman, lost a limb and
nine freight cars were piled in an
iniscriminate tangle. The cars left the
track in a deep cut and the conse-
quent property damage is great.

axe, asked trial judge to take his life
with same implement.

Much Silk Stolen.

Chicago, July 18.—Thieves have
stolen \$25,000 worth of silk.

COMMISSION MEETS.

**Placing Texas Jobbers on Footing With
Others is Taken Up.**

Austin, July 18.—The railroad com-
mission met Tuesday to consider a
number of cases on its dock. One
important matter taken up and con-
sidered was the question of placing
Texas jobbing centers on an equal
footing with jobbers from other states
in giving special rates to those job-
bing centers. This matter came up on
complaint of the Trades League of
Dallas, claiming that Texas jobbing
centers were being discriminated
against. A large number of petitions
from merchants of many Texas job-
bing centers were read and facts given
showing Texas jobbers were at a dis-
advantage. Representatives of job-
bers said they only wanted to be placed
on the same footing with foreign
wholesalers. The commission took the
case under advisement.

The board of summer normal exam-
iners met in the senate chamber to
pass upon applicants for teachers' cer-
tificates to teach in Texas schools.

City Attorney Hart, on behalf of the
city, filed a petition for mandamus in
Fifty-third district court against board of
water and light commissioners to
compel it to turn on tower lights in
the city. These lights were turned off
several weeks ago by the commission,
claiming that it could not afford to let
them burn if the city did not pay for
the lights. This promises to be a big
legal fight between the two branches of
the municipal government of Austin.

At 4:28 o'clock Glover was pulled up
on the dock at Leadston. He was dressed
and about fifteen minutes later was
dry and telling his story.

NEW SECT.

**Apostolic Successionists Appear on
Streets of Houston.**

Houston, July 18.—The Apostolic
Successionists, a new religious sect,
have appeared on the streets. They
wear a full dress uniform. The speak-
er wore a black suit with a sword belt-
ed about him, which, however, he held in
his hand as the delivery of the ad-
dress was made. The men had on vari-
ous costumes, according to rank.
Some of the women wore veils, com-
pletely covering the face and tucked
inside at the back. These veils were
white, black or flowered.

One of the men was mounted upon a
gray horse richly caparisoned. He wore
a long false beard with a hat of the
stovepipe shape, but without a brim.
The costumes are said to be from Je-
rusalem.

Defeated by Large Majority.

Houston, July 18.—By a vote of two
to one the proposition to issue \$500,000
bonds to erect new courthouse was
turned down. City favored proposi-
tion. Less than 1000 votes were polled.

DESPERATE AFFAIR.

**Terrible Fusillade Results in Death of
a Couple of Men.**

Jeannerette, La., July 18.—A desper-
ate affray occurred at the state penal
farm, Hope plantation, near here, with
the result that two men are dead. Two
employees in the sugar house, named
Dyer and Phillips, became involved in
a quarrel, Vivian Cropper, the sugar
boiler, acting as peacemaker.

Turning upon the peacemaker, Dyer
killed Cropper, then the two originals
came together again, with a terrible
fusillade of pistol shots, resulting in
Phillips killing Dyer on the spot. Phil-
lips is in jail. Cropper was from
Jeannerette.

PLEADS NOT GUILTY.

**Says Man She Slew Forced Her to
Lead Immoral Life.**

New York, July 18.—Bert le Claique,

the French girl indicted for murder of
the degree by the grand jury for kill-
ing Emile Gendron, pleaded not guilty
and was remanded for trial. No at-
tempt was made to secure an early
trial and she will have to remain in
prison until the fall session. The girl,
who says that for six years past Gendron
made her lead an immoral life and she
killed him to escape this shaf-
ter, looked pale and wan when led back
to prison. Sympathetic women who
paid the lawyer to defend her during
the preliminary examination have re-
tained legal counsel for her during the
coming trial.

NO EARLY DISSOLUTION.

**British Parliament Will Still Continue
to Transact Business.**

London, July 18.—Premier Balfour
has dissipated the hopes of his oppo-
nents as to an early dissolution of par-
liament. At a meeting of the Union-
ists Tuesday the premier urged his sup-
porters to be regular in their attend-
ance at the house of commons so as to
prevent the defeat of the government in
a division. He pointed out that dis-
solution in August would be inconven-
ient to the house and to the country.
The premier said he did not anticipate
any trouble in bringing the session to
a close during the week ending Aug. 12.
